Latest Update: Jul 14th 2020The Sims FreePlay is a strategic life simulation game where you can create up to 16 different Sims, customize each of their features and change their appearance to your liking, and then either put them in a home already designed to live or create one yourself. We have a great collection of FreePlay Sims Cheats and tips for iPhone that will help your progress in the game. In Sims FreePlay for iPhone, you can also select tasks for your Sims, complete lenses for Lifestyle Poins (LP), or send them working to earn Simoleaons.How to get quick money in FreePlayMoney Sims is literally oil-greased gears and allows you to get something done in this game. Without a steady stream of Simoleans, you'll be stuck very soon, fortunately for you, we know some good tips to get money quickly in The FreePlay Sims in 2020. Here are some ideas:1. The Japanese real estate trick.suitable only if you start a new game, this trick involves buying the Japanese home as your first or second home in the game, and selling all the individual items in, including the rooms, so literally you have left nothing, you will do so many Simoleans doing this. Delete the lot, then you can just do it over and over again, but it's only good if you start a new game.2. GardeningCroize a little veg, garden your Sims at the same time and with a plant, you'll return as soon as it's ready. It's a bit of a grind, but if you need money quickly in Freeplay Sims, that's not a bad way to get some money quickly.3 a JobStarting career is a great way to start bringing a little more money on a regular basis. At first you won't earn too much, but as your career progresses, so will your salary. The amount you earn will depend on your chosen career path. The Sims FreePlay Cheats and tips for iPhoneWe have various cheats and tips for this popular strategic life simulation game that can still be used in 2020, many of which will make sure you are on track to be a success Money by not demolishing your houseWhen you moved a Sim to another house, don't demolish the house in the house where the Sim lived. Check out our Get Money by not demolishing your Home page to find out how you can get Simoleons from it. How to get free items and itemsYou'll find that almost everything in the game costs something to acquire, it can be Simoleons, Life Points, Social Points, or Time itself. There are quite some things that are free and you can find out what they are by going to our Free Articles and Objects page. Make Sims sickIf you're inclined to make your Sims sick, or if you just need to do it to accomplish a task, you can shake your iPhone to make them spit in no time. It's funny, isn't it? Well yes until you realize you still have to clean up the mess! Getting married and having babiesThe best ring to marry with and the most affordable is the mood ring, it is cheap and it only takes 2 or 3 times for the person to say yes, never use the atm ring because the person will always say no. Check out our Getting Married and Having Babies page to find out everything you need to know. Courtesy Houses/LotsCourtesy houses are created by players to keep all the items they need for social purposes. Check out our Courtesy Homes/Lots page to find out exactly what they are and why it is beneficial to have them. Courtesy HouseQuestsThe Sims FreePlay for iPhone is all about quests and there are many of them in the game. Check out our Quests page to find out what's involved in each of them. How to get new buildingsThe only way to access new buildings in The FreePlay Sims for iPhone is by leveling your city. Our city levels and leveling page will help you with this. Game GuideWe have so much more information about The FreePlay Sims on our guide pages, our Sims FreePlay guide has loads of information on how to complete quests, some tips to get more Simoleans and information on how to grind LifePoints.We also has a lot of questions added to our visitor site, maybe there is a filter so you can easily find topics that interest you, you can also test your knowledge of Sims FreePlay, and answer a few...
